

Case Study

DPDS CONSULTING GROUP | ARCHITECTURE

Westonbirt School Gloucestershire

One of the Country's most prestigious girls' school, Westonbirt has opened its new sports centre with a splash. The staff and pupils are delighted with its high standard of facilities and contemporary designs.

The 25 metre swimming pool, sports hall, aerobics room and fitness suite were formally opened by HRH Prince Charles and the Duchess of Cornwall (with one mention of a carbuncle!)

Business Sector Education

Approximate Contract Value £2m

Date of Execution 2006

DPDS Key Personnel Involved Nigel Henham

Key Factors

- Completion of project to a sensitive site; Grade I listed landscaped gardens and numerous mature trees around the site.
- Early liaison with Cotswold District Planning Authority and English Heritage essential and support achieved through option analysis/feasibility studies.
- Extensive involvement with DPDS in-house landscape architect and arboriculturalist to determine best solution for design accounting for close proximity existing trees and protection during construction.
- D&B their form of procurement delivered the project on time and to budget allowing the building to be officially opened by Royal Highness Prince of Wales.
- Sustainable design solution.
